

BRIGHT SPOTS IN TRADE WORLD

Country's Export Business Is in Good Shape.

EVIDENCES OF AN EXPORT BOOM SEEN

Journal of Commerce Comments on Business of Country—Situation Is Encouraging.

New York, Sept. 25.—The statement appears in the Journal of Commerce, today, on the activity of the American Manufacturers' Export Association, that pessimism as regards the country's export business is unwarranted. Evidence has appeared of an export boom.

While it is admitted that the total money value of exports during the year has shrunk, the statement is made that the amount of goods exported, calculated in units of quantity, compares favorably with any year during the war and exceeds any previous year.

Another bright spot in the export situation, continues the statement, is the fact that high-priced inventories in the Latin-American and Far-Eastern countries will soon be liquidated, with resulting new purchases here. Central Europe, too, reports an excellent outlook for American products.

"In fact, so many houses have quietly resumed buying that some of the largest manufacturers in this country, especially in textiles and associated lines, report that they are sold up until next spring," the report says.

ALLIANCE PHYSICIAN IS SHOT TO DEATH

Slayer Lures Doctor from Home by a Fake Call.

Canton, Sept. 25.—An unidentified assassin, early today, shot and killed Dr. C. C. Walker, Alliance physician, at his home as he was unlocking his garage door preparatory to answering a call. County officials are of the opinion that the slayer lured the physician from his home by a fake message, then shot him at the door of the garage. Four bullets were fired into the body of Dr. Walker.

An "urgent sick call" came to Dr. Walker at 12:30 a. m. In a few minutes he was dressed and as he went into the yard his wife watched him from an upstairs window. She told Alliance police she saw a man creep from behind some shrubbery and confront the physician. A tussle started and then the assassin pulled a revolver from his pocket, fired four times and fled. Dr. Walker was killed instantly. He was a former Cleveland physician.

TWO APPOINTMENTS MADE BY GOVERNOR

Attorney Kenfield, of Akron, To Be Common Pleas Judge.

Columbus, Sept. 25.—Governor Davis has announced the appointment of Attorney Scott Kenfield, Akron, as a member of the Summit county common pleas court, effective immediately.

The appointment of Attorney Kenfield, who is former city solicitor of Akron, is provided for in house bill, 144, which was passed at the last session of the state legislature, authorizing an additional Summit county common pleas judge.

The governor also announced the appointment of Charles E. Sweeney, member of the Akron undertaking firm of Sweeney Brothers, to succeed Austin F. Gillen, Youngstown, as member of the state board of examining examiners. Mr. Sweeney's appointment is for three years. Mr. Gillen's term has expired.

Not a Dry Detective

Dayton, Sept. 25.—Local "dry" detectives say that so far as they know John H. Bern has been named to be a "dry" detective from Dayton, has no connection with the prohibition enforcement. He will appear in court in Troy, Friday, on charges of unlawful manufacture, trespass and possession of unlawful "still-kill." He is credited with raiding a number of places in Troy and threatening to make arrests.

In Supreme Court

Washington, Sept. 25.—The constitutionality of the woman suffrage amendment was raised for the first time in the United States supreme court in a petition for a review and reversal of a decision of the Ohio supreme court, brought yesterday by Mrs. J. C. Thompson, represented by Oscar S. The Maryland case, which is the right of suffrage to adult male citizens.

Butchers Cut Prices

Akron, Sept. 25.—Degrading Thursday, prices of meats will drop on an average of ten cents a pound here, according to announcement of dealers made this morning. Steaks which heretofore sold at thirty-five cents a pound, will retail at twenty-five cents. These prices, they say, will be effective for two weeks.

MRS. EVA COLLISON DIES AT DAYTON

Funeral Will Be Held Near Richmond Thursday.

Richmond, O., Sept. 25.—(Special)—The remains of Mrs. Eva Collison arrived here Tuesday evening from Dayton and were taken to the home of her parents, Mr. and Mrs. Robert Taylor, one mile east of here. Mrs. Collison died Tuesday morning at 4 o'clock at her home in Dayton, following an illness of typhoid fever. A brother, Alton Taylor, died four weeks ago of typhoid fever at the home of his parents.

Mrs. Collison was about forty years old and was born near Richmond. She is survived by her parents, two sisters, Mrs. John Dilworth, of near Richmond, and Mrs. Charles Houseworth, of near Cardington; one brother, John Taylor, of near Magnette Springs.

The funeral will be held Thursday morning at 10 o'clock from the home and will be in charge of Rev. M. M. Campbell. Burial will be made in the Glendale cemetery.

STOCKHOLDERS WILL LOSE ALL

Failure of Allen Motor Company Is Complete.

THE OFFICIALS AND CREDITORS MEET

Nationwide Motor Industrial Conditions Held Responsible for Big Columbus Failure.

Columbus, Sept. 25.—Stockholders of central Ohio are expected to lose the approximately \$450,000 which they invested in the Allen Motor Car company, Columbus. It is planned to sell the company's plant and liquidate its property.

At a conference held here between officials and creditors of the company, decision was reached to recommend that William C. Millard and George A. Archer, local bankers, proceed in their capacity as receivers of the company to sell the plant and liquidate the property.

This decision was reached as a result of the practically nationwide unsettled conditions existing in the motor industry. It is not expected that stockholders will receive anything from the sale of the company's properties. Claims against the company aggregate about \$1,250,000. Officials of the company, it is said, have been unable to raise the more than \$1,000,000 additional capital required to properly finance the company in order to permit continuance of operations.

The special creditors' committee, selected several weeks ago at a meeting at Cleveland, attended by practically all of the larger creditors, will confer with the receivers in outlining a plan for winding up the company's affairs, it is announced.

FOURTEEN MILES OF ROADS COMPLETED

And Twenty-Two Miles Are Still To Be Finished.

Fourteen miles of Marion county roads have been improved so far this season, according to William E. Weston, county surveyor. Twenty-two miles of additional roads are to be completed before the season for work closes.

PERSONAL

Mr. and Mrs. Clifford Swisher, of John street, returned Tuesday from a week's trip to New York City and other points in the East.

Mrs. Marion Grimes, of Casper, Wyoming, who has been visiting with Mrs. Lewis A. Hill, of Sharpless court, and other relatives here last Monday evening for her home.

Mrs. Marshall Everding and children, who have been guests at the J. M. Gowdy home on West Columbia street, returned to their home in Hammond, Indiana, this morning.

LOCAL MENTION

Carl McDonald was arrested as a vagrant at the home of Mrs. M. S. Boy Scout Tuesday evening at the Y. M. C. A. building. Scoutmaster Roy A. Winkler read an address to him on Captain Jack Crawford's exploits.

New C. L. Smith, of Dix avenue, returned home Tuesday from the Grand hospital where he was operated on for a hernia. He is unable to get about and is confined to bed.

Miss M. J. A. Smith will be divorced from Fred Smith at the court of the state judge.

BIG COMEDIAN TO GET RESULT

Will Have Police Court Decision Before Night.

CHARGE TO BE FIXED BY POLICE JUDGE

Court Has Power To Reduce the Charge from Murder or Dismiss the Case.

San Francisco, Sept. 25.—By nightfall Roscoe Arbuckle will know whether he must stand trial for murder.

Anxiously today the big comedian, his wife and attorneys awaited the convening of court this afternoon at 2 o'clock, when Police Judge Sylvain Lazarus will announce his decision.

There were all indications today that Arbuckle will be held to answer in superior court. Judge Lazarus, late yesterday, informed the defense that he will deny their motion to dismiss the charge. The judge has power to reduce the charge from murder to manslaughter and it is on this authority that the defense bases a faint hope that their noted client will not have to face a jury charged with the murder of Virginia Rappe.

When court convenes, the defense will be given the opportunity to call witnesses in Arbuckle's behalf. Unless the state backs down in its intention not to put Mrs. Mamie Maude Delmont on the stand, the defense is expected to rest its case should they be able to force Mrs. Delmont to the stand, then the defense probably will call two or three witnesses.

Arguments on law are expected to be brief. The case then will be squarely in the judge's hands for decision.

A Heavy Blow

San Francisco, Sept. 25.—The prosecution scored a heavy and unexpected blow in the preliminary hearing of Roscoe C. "Fatty" Arbuckle on a murder charge late today when Josephine Keza, a hotel maid, was called to the stand.

Miss Keza, hitherto unmentioned as a witness, testified that on the afternoon of Labor day she had listened in the hotel corridor at the keyhole of the door leading into Arbuckle's bedroom. She said she had heard sounds of a struggle and a feminine voice calling in a tone of protest.

To which, she said, a masculine voice responded: "Shut up."

The time was fixed a few minutes before Mrs. L. M. Belmont rapped on the inner door and was answered by Arbuckle who, according to Miss Zey Provost's testimony this morning, was tying the springs of his bedstead as he emerged into view.

Prosecution Rests Case

Immediately at the close of Miss Keza's testimony the prosecution rested its case.

Judge Sylvain Lazarus expressed surprise that Mrs. Delmont, the complaining witness, has not been called to the stand.

District Attorney Matthews asked that Arbuckle be held to answer without further evidence.

The defense immediately protested and a spirited battle ensued.

Judge Lazarus denied a motion to dismiss the charge against Arbuckle and the case was postponed until today at 2 p. m.

A witness for both the prosecution and the defense—such was Zey Provost, one-time model. She occupied the stand throughout the morning and part of the afternoon session.

Miss Provost testified that Virginia Rappe went dancing to her death—"kind of skipping in," said the Provost girl, followed closely by Arbuckle, who shut the bedroom door.

She said that an instant before "skipping" into Arbuckle's bedroom Miss Rappe had attempted to enter Lowell Sherman's room, but that Mrs. Delmont, in the bathroom, had called to her to "go around" to the other bathroom and let me dress.

Arbuckle at the time, Miss Provost asserted, was standing in the central reception room.

Says Girl "Skipped In"

Miss Provost said that as Virginia Rappe "skipped" across toward Arbuckle's bedroom no words were spoken. Arbuckle did not haul or drag Miss Rappe into his room the night of Sept. 19.

Nearly forty-five minutes passed, at which time the witness, Arbuckle, was called to the stand. The girls were dancing, playing a photograph and having a general party.

WOULD SETTLE DIVORCE MESS

James A. Stillman Would Bring Family Together.

DEVELOPMENTS IN BIG COURT BATTLE

Learned Mrs. Stillman Will Entertain Overtures to Reconciliation Under Conditions.

New York, Sept. 25.—James A. Stillman, multi-millionaire banker, who sought to divorce his wife, and swore he was not the father of little Guy Stillman, hopes for a reconciliation with Mrs. "Fifi" Stillman. It was reported reliably today. While this astounding development was reported, it was learned that Mrs. Stillman would entertain no overtures for reconciliation until her husband admitted the fatherhood of Guy.

Meanwhile, plans are proceeding for further hearings in the sensational divorce suit. Attorneys for Mrs. Stillman will ask supreme court to appoint a commission to take testimony of Canadian witnesses in Montreal. Their request will be entered when referee hearings are resumed in the case, October 11.

That Stillman seriously hopes, however, to adjust the "divorce mess" was indicated when he showed his daughter, Anne, through his new apartment at Madison and Forty-second street before she sailed for Europe.

According to a friend of Mrs. Stillman, her husband pointed to one room after another, saying: "That is mother's room; that is Dad's; that is Alexander's."

GOVERNOR PARDONS AN AKRON GIRL

Sentenced for Helping Prisoners Break Jail.

Columbus, Sept. 25.—Upon the recommendation of the state board of pardon and parole, and of a committee of five prominent Akron citizens who voted unanimously in favor of such action, Governor Harry L. Davis, today, granted a conditional pardon to Beulah Givens, twenty-two, of Akron, who, November 19, last year, was sentenced to the Marysville reformatory for women, for having aided in escape of several prisoners from Akron county jail.

The pardon was requested by the trial judge, prosecuting attorney, sheriff, the ministerial association, Odd Fellows lodge, several women's clubs, newspapers and by many prominent citizens who petitioned for the release.

The girl, according to the evidence presented to the governor, is the daughter of a prominent Akron family and was of previously excellent character and reputation.

It appears she was induced by one of the prisoners with whom she was incarcerated.

Order Is Issued

Columbus, Sept. 25.—A temporary restraining order has been issued by the state supreme court, at the request of Attorney General Price, enjoining the Automotive Protective association, headquarters at Cleveland, from operating in Ohio until the court disposes of the ouster suit recently filed by the attorney general who claims the company violated its charter provisions by illegally rendering attorneys' services to its members.

Funeral of Officer

Dayton, Sept. 25.—The entire city administration and police force turned out today for the funeral of "Tom" Mitchell, the oldest patrolman in point of service in the city, who died from an attack of apoplexy Monday.

BUCKEYE BRIEFS

Woman Sues For \$25,000. Xenia, O., Sept. 25.—Alleging that she was "bitten and chewed" by a "vicious monkey, ferret and dangerous," on the streets of Indianapolis, Ada Maudin Bowman has instituted suit for \$25,000 damages in the local courts against George W. Rodgers, alleged owner of the monkey.

Mysterious Attack

Cleveland, Sept. 25.—Three masked men attacked John Mantell, 38, in the basement of an office building and, after beating him over the head with a club, tied a noose around his neck and strung him up to a water pipe. Mantell, a night watchman in the building, was cut down by fellow employees, who heard his screams. The motive for the crime is a mystery. One dollar had been taken from his pockets, but \$20 was untouched.

Police Chief Suspended

Newark, O., Sept. 25.—Police Chief Sheridan, charged by the law and order league with violation of oath and dereliction of duty, and who was suspended on Sept. 15, was found guilty of the charges by the civil service commission. The charges upon which the finding was made were going away liquor and allowing other liquor in his official capacity to "disappear" from his place of deposit. The sentence was a thirty-day suspension, which expires Nov. 15.

Synod of Ohio

Wheeling, W. Va., Sept. 25.—Synod of Ohio, embracing United Presbyterian churches of Michigan, Ohio, Pennsylvania and West Virginia, in session at St. Clairsville, elected Rev. Frank Ryle, of Erie, Pa., moderator and Rev. J. H. Snyder, of Wooster, Ohio, as clerk.

IN COMMON PLEAS

Suit for \$100,000. Suit for \$100,000 against the city of Marion was filed in the common pleas court Tuesday by David A. West. The plaintiff alleges that amount is due him for hauling and care of garbage from the City hospital to the sanitary disposal plant from October, 1927, to April of this year.

NO CANAL WILL BE BUILT SOON

Lake Erie to Ohio River Projects Not Favored.

EXPENSE TOO GREAT FOR POSSIBLE RETURNS

Federal Board of Engineers for Rivers and Harbors Make Report on Findings.

Washington, Sept. 25.—Action unfavorable to construction at present of any canal between Lake Erie and the Ohio river was taken by the board of engineers for rivers and harbors in a report made public yesterday.

The decision carries deep disappointment to Cincinnati advocates of route No. 4, which connects Cincinnati with Toledo and including a branch connection with Lake Michigan.

The special board in whose hands the matter has rested for months, preferred route No. 1, the Pittsburgh-Ashland plan, calling it the shortest, cheapest to construct and the one offering the greatest prospective tonnage.

The least expensive route would cost \$120,000,000, the board reported. The obstructive bridges across the Allegheny river near its mouth also was called a factor against it.

The Cincinnati-Toledo route, it is estimated, would cost \$195,000,000, and with the Lake Michigan branch nearly \$400,000,000.

"These large sums," the board says, "could be justified only by an assured commerce of great magnitude, estimated by the special board to be not less than 20,000,000 tons a year."

"This board is not convinced that such a commerce would develop out of any of the routes considered, and, as there is doubt of the ultimate economic success of the undertaking, and every effort is being made to reduce national expenditures, it does not feel justified in recommending the improvement at such great cost at this time."

MANY CASUALTIES RESULT OF STORM

Sweeping Western and Northern Japan, Says Report.

Tokyo, Sept. 25.—More than 100 casualties have resulted from a heavy storm which is sweeping western and northern Japan. But meager reports have been received from the storm centers. More than 3,000 homes have been inundated, it is estimated. Nagoya and Kobe are the centers hardest hit by the storm and reports received here state that the harbor of Nagoya presents a scene of disaster. Wire communication has been badly interrupted. No dispatches from abroad reached Tokyo today, the papers going to press with only local news.

Predictions that the storm would sweep Tokyo apparently are unfounded as the capital has so far escaped the fury of the storm.

SOUTHDAL TRIAL IS HELD UP FOR JURORS

Sho-iff Scouring County in Search of Veniemen.

Twin Falls, Idaho, Sept. 25.—Mrs. Lyda Southdal, on trail for the murder of her fourth husband, Edward F. Meyer, and charged with having poisoned three other husbands and the brother of one of them, is resting today in jail, while Sheriff Sherman is scouring the country in search of veniemen in the case.

Late yesterday afternoon, the regular venire of seventy-five had been exhausted and Judge William A. Babcock ordered a special venire returnable at 2 p. m. today.

Court sessions adjourned to the hour fixed for the return of the venire order.

Taken to Agosta

The body of John Kibb, who took his life at Niles Tuesday, was taken to the home at Agosta this morning on the 10:30 o'clock train. Members of the family accompanied it.

DEMOCRATS IN AGREEMENT

Find It Bad Policy To Oppose Peace Treaties.

NO ORGANIZED FIGHT IS COMING

Final Action on Peace Treaties Is Expected by Republicans in Two Weeks.

Washington, Sept. 25.—It was practically the unanimous opinion of Democratic senators, who held a conference here, that it would be a bad policy to undertake a partisan contest in matters affecting foreign relations, such as the new peace treaties with Germany, Austria and Hungary.

The conference adjourned until tomorrow, but it was made plain by the opponents and proponents of the treaties that no effort will be made looking towards organized resistance. Those opposing ratification will act independently.

The Democratic opposition will make itself content with offering a series of amendments and reservations for the purposes of conscientiousness and keeping the party record straight. None of these proposals is expected to be adopted, but Democrats favoring them plan to embarrass Republicans who voted for reservations in the previous fight.

Final action is hoped for by the Republican leaders within two weeks. After the Democratic conference Senator Underwood, the minority leader, informed Senator Lodge, majority leader, that it was quite evident from the long discussion at the conference that there would be protracted debates. The Republicans then decided to return to the original plan to take up the treaty at night sessions, beginning tonight, and give the days over to the tax bill.

Democratic senators who stood by the Democratic administration in the previous fight declared freely that Mr. Wilson was opposed to the present treaties, but they denied that he had injected himself into the situation.

Big Emporium Blaze

Paris, Sept. 25.—The Printemps, the largest emporium in Paris, took fire this morning and all the fire stations in Paris were called out to fight the blaze. Traffic was disorganized for a radius of four miles from the heart of the city.

The condition of Bird Jacoby remains about the same today, with very little improvement.

RUNNING RACES WILL BE RESUMED

Plant Costing \$300,000 Is Completed Near Cleveland.

Cleveland, Sept. 25.—Husack races at the Clevelark Falls course, stopped when betting was prohibited by an injunction issued last spring by the late Judge Martin A. Foran, are scheduled to start October 15, at Maple Heights park in Maple Heights village, it was announced today.

A plant costing \$300,000 has been erected and the races will be run under the auspices of the Ohio Jockey club. Whether or not the betting will be attempted is not known, as officials of the track are reticent as to their plans in this respect.

DO YOU DISCRIMINATE AT THE DINING TABLE—OR ARE YOU THOUGHTLESS?

In thousands of homes, a "line" is drawn at the breakfast table. Tea or coffee is served for "grown-ups" and Postum for children. But some parents do not discriminate. Caffeine and tannin, the injurious contents of coffee and tea, seriously retard the development of the delicate nerve tissues in children.

Consequently, instead of rich, satisfying Postum, children are over stimulated by the drugs in tea and coffee; and so may grow up irritable and nervous. Any doctor can tell you that this is a great evil and should be corrected.

Although some parents feel a certain justification for the personal indulgence in coffee, yet the harm to them may be equally serious. It may take a little while longer for the drugs in coffee and tea to affect an older person, but in many cases the nervous system and allied bodily functions will become weakened. The surest way to avoid such possibilities is to quit coffee entirely and drink Postum instead. The change permits you to get sound, restful sleep.

Postum is the well-known, meal-time beverage. Like thousands of others you will like it because, in flavor, it is much like a high-grade coffee.

Do away with the distinction at the table. Serve delicious Postum, piping hot, to all the family. One week's trial and it is likely that you'll never return to tea and coffee.

Postum comes in two forms: Instant Postum (in tin) made instantly in the cup by the addition of boiling water. Postum cereal (in packet) of larger bulk, for those who prefer to make the drink while the meal is being prepared made by boiling for 30 minutes.

PARENTS CLAIM BODY
OF SUICIDE AT NILES

Further Details of Tragedy
Enacted by John Kalb.

WHOSE MOTHER WARNS
GIRL, IT'S REPORTED

Mr. and Mrs. Kalb and Daughter
Reach Niles Late Last
Night.

Niles, O., Sept. 28.—[Special].—
Mr. and Mrs. L. M. Kalb and their
daughter, of Agosta, arrived in
Niles late Tuesday night to claim
the body of their son and brother,
John Kalb, twenty-six, who com-
mitted suicide after being trapped
by police in an upstairs bedroom at
the home of Miss Violet Madley,
pretty Niles school teacher, who
three months ago had spurned
Kalb's attentions.

A new thirty-two caliber revolver,
thirty cartridges, three eight-ounce
bottles of ether and a twenty-five
foot coil of soft rope—these were
the means by which Kalb sought to
execute vengeance for the spurning
of his love, investigation by author-
ities disclosed today.

Kalb, after being trapped saw only
one alternative—to surrender
when police surrounded the house.
This was suicide. Placing the pistol
in his right temple he pulled the
trigger and as the bullet crashed
into his brain fell headlong down
the stairs landing, a crumpled heap
at the bottom. When found one
hand still clutched the weapon.

Wires and Letters.
The young man, believed to be
half crazed by rejections of his at-
tentions to Miss Madley, had met
the young school teacher in Warren
several months ago. On July 4 last
she told him that she did not care
to have him call at her home again.
For weeks he sent special delivery
letters, telegrams, flowers and can-
dies seeking to win back her approv-
al. Miss Madley annoyed by these
attentions, asked him to desist.

Early Monday morning he stole
into the Madley home unobserved,
making his way to the second floor.
There he carefully planned what
authorities say was a plot to make
the girl and her father unconscious
by application of ether sponges to
their faces and then attempt either
murder or kidnapping.

Discovered by Madley and Bert
Welch, a neighbor, the young man
from his hiding place under the
bed drew a pistol and fired two
shots at Welch and another at
Madley. The latter fell downstairs
and lay dazed at the bottom of the
stairs for several minutes before
police arrived.

Kalb, seeing he had no chance
to escape, shot himself and was
found unconscious. Death came a
few minutes later.

Miss Madley, the girl in the case,
today is in a hysterical condition
and under the care of a physician.

Another Niles Story.
Niles, O., Sept. 28.—Under cir-
cumstances of the most extraordinary
character John Kalb, twenty-six, of
Agosta, near Marion, suicided by
shooting himself through the head
at 7 a. m. Monday at the home of
Joseph Madley, No. 36 Washington
avenue to whose daughter, Miss
Violet E. Madley, principal of the
Jefferson public school here he had

been paying attention at times for
some months.

Authorities said Tuesday Kalb
may have intended kidnapping Miss
Madley.

Motive for the tragedy was un-
known to the authorities, they said.
Tuesday, Kalb died on the way to
the hospital and his body lay at the
morgue Tuesday noon awaiting
burial instructions from relatives.

Fires When Discovered.
Miss Madley was not at home at
the time Kalb was discovered.

Madley home secretly, gone upstairs
and secreted himself beneath a bed.
When detected there shortly after-
ward, Kalb fired one bullet at those
who discovered him, then turned his
weapon on himself and sent a
bullet crashing into his brain.

In Kalb's clothes were found a
pistol, a flashlight, two bottles of
chloroform and about twenty feet of
clothesline. There were also three
letters Kalb had written to Miss
Madley, his mother, and to a man in
Marion. A letter Kalb had received
from Miss Madley was also discov-
ered.

Coroner J. C. Henshaw, of Trum-
bull county, Tuesday viewed the
body and pronounced death due to
suicide, that being the only verdict
possible.

Mentally Unbalanced.
Authorities, after reading the let-
ters in Kalb's pockets and investi-
gating, believe Kalb was possibly
mentally unbalanced. They learned
he had only recently recovered from
a severe illness, which may have ac-
counted for his supposedly weak-
ened mental condition.

So far, no one has been found who
saw Kalb in Niles Monday, the first
being known of his presence being
when he was discovered under a bed
in the second story of the Madley
residence.

Samuel Madley, the father, heard
a noise Kalb made upstairs and in-
vestigated with B. W. Welch, Wash-
ington avenue. When they pulled
the cover aside that hung from the
bed they sighted Kalb, who was dis-
playing a revolver. He rolled out
from under the bed, they stated, and
fired a shot at them.

Both retreated in to the hall and
Kalb hastily arose and followed them.

Madley and Welch retreated
down the stairs and Kalb, instead of
trying to follow them, raised his
weapon to his head and shot himself
through the right temple. An am-
bulance was summoned and waited

way there so his body was taken to
the morgue instead.

Miss Madley Not Seen.
Rumors of all kinds are rife here
today as a result of the startling
tragedy, but Miss Madley, whose
name was brought so prominently to
the fore through Kalb's suicide,
could not be seen. She was not at
school and at her home it was stated
she was not there. Friends, how-
ever, stated Tuesday Miss Madley
had stated after Kalb's death that
she had not seen him since July.

It was rumored Miss Madley had
received a message Monday from
Kalb's mother warning her that Kalb
was on his way to Niles. However,
this could not be definitely confirm-

It would seem untrue that one style in

liness and delicacy, to out-step any or
many of the little models designed and
made by I. Miller.

by the authorities.
Miss Madley's friends feel deeply
for her over the unenviable promi-
nence thrust upon her through
Kalb's tragic death. She is one of
the best known and most highly re-
spected young women of this city.
She has always been active in church
work and a leader in educational
and intellectual circles.

Lover Died on Wedding Eve.
Tragedy has touched her life be-
fore, as death intervened five years
ago to prevent her becoming the
bride of George Unger of this city,
when he died just four days before
their marriage was to have been
consummated.

That event cast a shade of sorrow
over her life that had never been
fully lifted. Her friends said she
had never since been able to enter
into affairs with the zest young
people usually show and they stated
Tuesday she had never encouraged
Kalb's attentions to her. They said
that, although she had occasionally
been in his company who had offered
him no encouragement in his hope
that she would become his wife.

Authorities, after reading the let-
ter Kalb had received from Miss
Madley, gained the idea that Kalb
had discussed marriage with her and
had conceived the idea that she was
warring off the decision he hoped to
gain.

Hundreds of Pairs of the Finest Blankets You will find anywhere—At Decided Savings

Now that the cold, chilly nights are on their way it makes one think of blankets and more comfortable.

Many housewives have let their blanket supplies drift to a point where they are almost exhausted because of the high prices of a year and two years ago. But this year they can be replenished and at great savings. Here in our big Blanket Store you will find the best assortment of good fluffy blankets and comfortables at the lowest prices in the city.

We are quoting a few of the many exceptional items below.

Good, medium weight Cotton Blankets, measuring fully 68 by 80, at \$2.50 a pair.

Very fine Plaid Blankets, weighing four pounds to the pair, at \$4.35 per pair.

Special extra size Cotton Blankets, commonly known as the large twelve-quarter size, with attractive borders, at \$2.95 a pair.

Attractive Plaid Wool Blankets, just what you want for excellent service and warmth, only \$9.45 a pair.

Beautiful full size Cotton Plaid Blankets, all sorts of attractive colors—the greatest blanket value in Marion at \$2.99 a pair.

Beacon Indian Robes, all kinds of desirable colorings at \$7.95.

These cool September days cause much interest and enthusiasm in our Dress Goods Section

Beautiful New Woolen Materials Unusually Priced

Our Dress Goods Department is a mighty busy place these fine Autumn days—but it's hardly any wonder when one stops to think of the unusually fine new materials that have been arriving almost daily from the New York markets, and that they are priced on the new lower price levels.

Beautiful new Checked Velours in a wide range of colors, specially priced at \$2.75.

All wool Storm Serge, excellent quality; 36 inches wide at 89c, and 52 inches wide at \$1.19.

A rare bargain—Jamestown Plaids, in a big assortment of new colorings, at 99c a yard.

Another new Fall fabric, Wool Velour de Laine, in black, navy, heaver and brown. A rare value at \$3.50.

These beautiful Poret Twills and Tricotines are very beautiful in every respect. They are 56 inches wide and are marked at only \$3.95.

A new shipment of All Wool Crepella in newest Fall shades at \$1.85.

Time To Think About Your New Winter Coat Beautiful Winter Coats at \$29.50, \$39.50 and \$49.50

Showing the Season's Smartest Coat Models
Fashioned at the New Deep Pile Fabrics and
Luxuriously Trimmed in Rich Furs—at
Special Prices—\$29.50, \$39.50 & \$49.50

Of all the coats you will see any place these are the prettiest. Mrs. Wertz was very fortunate on her last trip to New York in securing the most beautiful and remarkable Fall Coats of the season at prices which afford great savings to our customers.

Most of them are fashioned from the smart, new, deep pile fabrics such as Bolivia, Rivola, Valdene, Velour, Pollyanna and other new Fall materials.

The styles show the loose flaring backs, and many of them can be worn with or without a belt. Some of them are luxuriously trimmed with beautiful furs, while others depend on gorgeous embroidery for the finishing touch of beauty.

Virtually all of them are elegantly lined with beautiful figured Pussy Willow Silks.

Every garment is a beauty in every respect and one that will give the wearer long time service and satisfaction.

Back To The School Books

Summer's romp is over. School starts and means long, hard months of study. Music is successfully used in the schools to counteract the mental exertion resulting from close, continued study.

BUT WHY

confine the children's music to the limited time allotted to music in the school? In the home, tomorrow's lessons will be prepared with clearer minds and with far less reluctance, if preceded by an hour with a Kohler & Campbell Piano or Player-Piano.

MUSIC AND SONG

are healthy outlets for the youngsters to give expression to their pent-up emotions. Why put a curb on it and thus direct their energies to less desirable channels?

Thomas H. Sutherland, Traveling Salesman, Loses Life.

SISTER-IN-LAW, MISS SHEEDY, MADE SENSELESS

She Is Overcome After Entering House with Sister, Mrs. Sutherland—Brother of Bishop.

Thomas H. Sutherland, age fifty-two, traveling salesman for the J. P. Smith company, Chicago, was asphyxiated by natural gas at about 11:15 Tuesday morning at the home of his wife's sister, Miss Sarah L. Sheedy, No. 132 west Columbia street, where the Sutherlands had been living.

Mr. Sutherland was preparing to go on a three-months trip over his territory and was spending the last few days before leaving with his wife, who is a teacher in the Marion schools. Both Mrs. Sutherland and Miss Sheedy were away yesterday morning and Mr. Sutherland told them he would have dinner ready when they returned and that he would connect up the gas heaters for them.

After they left, it is thought Mr. Sutherland took the cap off a gas pipe in the living room, preparatory to connecting up one of the heaters, probably after he had packed his sample trunk, and done some work on reports to his company. He either turned the pipe valve on or it was on.

Gas on in Oven.
It is then believed that he went to the kitchen to prepare dinner, for he put potatoes in the oven to bake and turned the gas on in the stove but the oven burner was never lighted.

About 10:45 a. m. Mr. Sutherland

went to a grocery at the corner of Columbia and Pearl streets and was seen starting back home. The meat which he purchased was found on the kitchen table.

Upon his return, it is thought that in attempting to discover the leak from which the gas came, he was overcome. The body was found face up, on the floor, in his bedroom on the second floor, with the window up.

First To Discover It.
The first to discover the tragedy was Miss Sheedy, who returned at about 12:15 p. m. She entered the house, raised the windows and after discovering the body notified a doctor and Mrs. Sutherland. She was then overcome by the fumes, which filled the house, and was not revived for nearly an hour.

Accused Coroner C. S. Burnside was called and he pronounced death due to accidental asphyxiation and that death occurred at about 11:15. Mrs. Sutherland arrived home soon after the discovery and was prostrated.

Brother of Bishop.
Mr. Sutherland is survived by his widow and a son, Thomas H. Sutherland, Jr., who is a student doctor at Johns-Hopkins university, at present engaged in caring for wounded soldiers at Fort McHenry.

Mr. Sutherland is survived by two brothers: Right: Rev. John Sutherland, Bishop of the state of Michigan of the Congregational church, and W. H. Sutherland, of Cincinnati, president of a publishing house there, and by four sisters, Mrs. Wm. Vance, of Delaware, Mrs. George Sage, of Cincinnati, Mrs. Charles Medaris, of Toledo, and Mrs. Verna Bates of Cleveland.

GUSTAVE HEYDE DIES OUT IN CALIFORNIA

Brother of Edward Heyde, of This City.

Gustave Heyde, of Carhart street, has received word of the death of his brother, Edward Heyde, Monday morning at his home in Los Gatos, California. Death followed an operation last Friday.

Mr. Heyde was about seventy-eight years old and had passed most of his life in the West. For a number of years he conducted a school of mining engineering in Chicago. He was quite well known here having visited relatives a number of times. His daughter, Mrs. R. C. McDonald, of San Francisco is also quite well known here having made her home with the Heydes for many years. She was formerly Mrs. Martha Heyde. Aside from the daughter and brother the widow and a son, Walter Heyde, of Boise, Idaho survive. The funeral will be held Friday.

Dr. and Mrs. J. B. Warren, of Williams court, returned Monday evening from a two weeks visit with Mrs. Warren's mother, Mrs. Eli Allen and Judge and Mrs. Benner Jones, of Jackson. Mrs. Jones is a sister of Mrs. Warren.

Plan to live in Vernon Heights—Adv. 170-1-f.

Card of Thanks.
We wish to extend our sincere thanks to our friends and neighbors for the many acts of kindness, the beautiful flowers, the use of machines etc. during the sickness and death of our husband and father, C. C. Smallwood. We also wish to thank the minister and singers Mrs. C. C. Smallwood and children. Adv. 1p

GOUTRE OF 12 YEARS
Reduced and Symptoms Relieved. Home Treatment Used.

Note: It would be unusual to publish these statements if they were not true.
Mrs. Lurman Alpert, Marengo, O., says in her own home paper, the Mt. Gilead Sentinel, I have had inward goutre for 12 years. I have used less than 1/2 lb. of Sorbol Quadraple and my back is relieved one inch. The checking, smothering and difficult breathing is almost gone. My heart and nerves are better and can stand to work better already. It is so easy to use I will be glad to tell or write my experience.

Sorbol Quadraple comes in small bottles containing enough for most cases. It will not stain or irritate. Does not interfere with regular work. Leaves parts in beautiful, normal condition. Requires no minutes delay.

VEIOCK ON SPORTS

New York, Sept. 28.—Mathematical clinches in the major league pennant races may be held up until the last gasp of the season.

The Giants and Yanks, leading the pack toward the World's series, seem practically sure of finishing on top of the heap, but neither may clinch a championship until the schedules are nearly played out.

Leo Pohl's St. Louis Browns tossed a monkey wrench into American league pennant machinery by taking a fall out of the Yanks. As a result of St. Louis' victory, the Huggins men are only one and one-half games ahead of the Cleveland Indians.

New York has now won ninety-four games and lost fifty-five, while

the Tribesmen have won ninety-three and lost fifty-seven. Each team has four games to play. The Sox, while the Yanks take on Philadelphia and Boston.

Conceding four straight victories to Cleveland in Chicago, which is some concession any way you look at it, New York must win three out of four games in order to clinch the pennant. The final result will then be:

	Won	Lost
New York	57	56
Cleveland	57	57

The road ahead of the Giants is much smoother despite the fact that Pittsburgh won from the Phillies in the last home game of the season, the Giants have a strangle hold on the championship.

With a three and one-half game lead and only four more games to play, the Giants can win the pennant by splitting even, on matter what the Pirates do, for Pittsburgh has but five games to play, all in St. Louis and should Gibson's team win all five games while New York won two out of the four, the final standing would be:

	Won	Lost
New York	55	59
Pittsburgh	54	60

The rival New York teams were both idle today, but tomorrow the Yanks will continue their fight for the flag when they go to Philadelphia for two games with the Athletics.

The "EASY" Does the Most Work With the Least Effort

Thousands of housewives have proven to their entire satisfaction that the "EASY" VACUUM ELECTRIC WASHING MACHINE actually does the most work with the least effort. They know from experience that the vacuum cups do the work of human hands, by air pressure and suction. Sixty times a minute these cups go up and down, taking a new position with each down stroke. Gently, yet irresistibly they force the hot, soapy water in and out of the meshes of the garments, loosening every particle of dirt.

The big, open, copper tank is just the right height, making it easy to load and unload. It has a larger capacity than any other electric washing machine.

The "EASY" is rust-proof, being durably constructed out of solid copper, brass, aluminum, and enameled steel. With reasonable care it should last a lifetime. Electric wringer starts, stops and reverses instantly. The gas heater, now a part of the regular equipment, heats the water to any desired temperature.

Sold on terms that permit the "EASY" to pay for itself out of what it saves.

Ask your nearest friend who owns an "EASY" what she thinks of it—then phone for a demonstration the first thing tomorrow morning.

LOVE FOR ONE ANOTHER WOULD WIPE OUT WAR

Rev. Charles Myers, of Ursa, Illinois, Says.

TRIAL SERMON AT THE SALEM CHURCH

Preaches Both in English and German on "The Great Power of Love."

Rev. Charles Myers, of Ursa, Illinois, preached a trial sermon at the Salem Evangelical church Tuesday evening. The services were opened in German and Rev. Mr. Myers spoke first in that language and later preached in English. His sermon in English was on "The Great Power of Love."

Rev. Mr. Myers told of how every one loves to gaze upon a picture or painting and of how these pictures and paintings set forth wonderful lessons. He told of how wonderful a scene heaven is in its beauty and glory and then said in part:

"Do you know heaven is beautiful? Do you know that everything God creates is beautiful? Do you know that His wonderful creation is portraying nothing but God's beautiful thoughts? God only creates beautiful things."

"Do you love a beautiful soul and beautiful deeds? A heaven is teaching us to give out in our souls this great divine sense of beauty. Heaven is a place of peace and there is no more beautiful and peaceful place in this world than the place near a beautiful soul."

Desire of Love.

"What you desire is 'love,' your soul yearns for love and that soul that is able to radiate love is a beautiful soul. To be near that soul brings peace to the heart. To possess peace, to give peace and to radiate peace it is necessary for us to have love in our hearts and it is impossible to find rest unless we have that love. When a husband loves his wife and the wife loves the husband; children love their parents and brothers and sisters love each other, then there is peace in that family. Without love there is no peace."

Rev. Mr. Myers complimented the choir on its good music and then spoke of the great and wonderful choir of heaven which is gifted with voices greater than any one has ever been gifted on this earth. He spoke of how enraptured one would feel when upon entering eternity he would stand for the first time before that wonderful choir.

A Word Picture.

The speaker then drew a word picture for his audience of Jesus—should He be on earth today—coming to Marion and speaking in the Salem church. He expressed the doubt that any one would believe in Him and pictured Jesus as saying to the people: "You do not know your Heavenly Father. You do not know that Jesus is high. You do not know that Jesus loves you. It is strange for you to live without your father."

Rev. Mr. Myers said that Jesus would ask the people why they did not have the courage to believe that God is their Father. He said Jesus would perhaps tell them of God's kingdom and tell them that what He has belongs to them; that God's kingdom is their home.

The speaker said in closing: "If the nations would love each other there would be no more wars. If we had love things would be different and there would be a change, live in an unhappy state, but because of the lack of love we there is a multitude no one can number before God's throne. How good God is and how wonderful is His love to mankind. Among this number before the throne, you must be. This must be your destiny and your home."

Crystal
 Electric Washer & Wringer

The Last Word in Modern Electric Washers and Wringers

We are only too glad to show and explain the CRYSTAL to prospective buyers, for it will be only a question of time until MARION will be completely CRYSTALIZED.

Simple in design, durable in construction and guaranteed service are the qualities which make this washer the most popular and economical to the housewife on the market today.

We pledge our support and take great pride in boosting this remarkable machine.

Come in and let us acquaint you with the CRYSTAL. Easy payments to responsible parties.

Three Gasless Days This Week--What Are You Going To Do?

"Oh, Mary! Of all the idiotic things to do! You surely don't mean to say that you've invited guests to dinner tomorrow evening, when the gas is to be turned off?"

"Yes, indeed, Aunt Jane. That's exactly what I did; but don't let that worry you, as I've ordered a Toledo Fireless Cooker from Schaffner's."

"They'll deliver it this afternoon and tomorrow morning we'll prepare dinner and put it in the Fireless Cooker, and presto! when we come home tomorrow evening all you need do is open the Cooker and there you'll find a perfect roast browned to a turn; vegetables deliciously cooked and, yes, we'll make an ice, too. We can do it very easily with the Toledo, as this one has two compartments. Won't that be fine? Am I forgiven, Aunt Jane?"

Forgiven? Of course she was.

If you want a good hot dinner waiting for you these "gasless" days, just send home a Toledo Fireless Cooker.

Special Baby Milk!

In order to fill a long-felt need, we have given much time and study to the production of a special baby milk. We have arranged to give you milk from a special herd of cows, from a model dairy farm. Every care will be taken with this milk from the farm to you, to have the best special milk for a baby at your command.

The herd of cows producing this milk will be strictly under the following requirements:

Tuberculin tested and monthly health inspection—

Assuring

Healthy cows, clean barns.
 Clean stalls, prompt cooling.
 Protection against flies and dust.
 Clean hands, sterile milkers.
 Sterile cans, sterile bottles.
 Prompt delivery and official inspection.

Factory Demonstration OF THE Laundry Queen Washer

at our store Thursday, Friday and Saturday of this week. We invite you to see this wonderful washer in actual work.

NO LIFTING—NO STOOPING From the Laundry Queen to the Line

This is going after Blue Monday with a vengeance. In using the Laundry Queen with detachable bench, your tubs and baskets can be arranged so you need do no stooping or lifting from the time you put the soiled clothes into the machine until they are ready for the line.

All Laundry Queen machines are the same in every respect except the extra bench. As many as three of these benches can be used on one machine should the user desire the extra room.

One bench provides space for one extra tub, two for a tub and a basket and three for two extra tubs and a basket. When not in use these benches may be removed and placed under the main bench out of the way. Lugs on the extension fit over the main bench. No tools necessary to attach or remove.

When you buy a washing machine, get one that reduces wash day work to the minimum. Choose a machine that will do all the work—do it satisfactorily—and last not a few months or years, but a lifetime.

There is only one machine that will measure up to these requirements—the Laundry Queen. See it for yourself.
